

## INVITATION

### 1st CSIPS – Conference Series on Informatics for Ph.D. Students

The Doctoral Students' Union invites you to participate in the 1st CSIPS (Conference Series on Informatics for Ph.D. Students), which will be held on the

**25th of May, at ELTE IK CLC, 1117 Budapest, Bogdánfy street 10/A.**

This event creates a platform for doctoral students of ELTE Faculty of Informatics to share research results with fellow Ph.D., senior-year BSc and MSc students, and university colleagues who are interested in the upcoming topics. Moreover, guests from other universities or companies are also welcome. The planned conference program:

16:00 – 16:05 *Welcome*

*1st Section: Computer Networks*

*Chair: dr. Gergő Gombos*

16:05 – 16:30 **Júlia Bergmann** Internal logistics in relentless production

16:30 – 16:55 **Gereltsetseg Altangerel** Detection of IoT attacks using INT-based machine learning

16:55 – 17:05 *Coffee break*

*2nd Section: Data Processing*

*Chair: dr. Péter Kutas*

17:05 – 17:30 **András Németh** Borders between quantum and classical systems: the Grothendieck-constant

17:30 – 17:55 **Yuping Yan** Privacy-Preserving Techniques in Federated Learning

17:55 – *Informal conversation*

The attendance is free of charge, but please complete the following registration form by the 24th of May, 12:00 pm, if it is possible: <https://forms.gle/RKBNGdVfiPksoUAZA>.

Best regards,

#### The Organizers
